

Kevin Zielezinski and KMZ/Lorz Motorsports Fan Club

Kevin Zielezinski and Lorz Motorsports want you to become a part of their race team.

Since 1995, the Lorz team's fan club has developed into a community that has supported the team's progress each year continuing through the 2015 race season. KMZ Motorsports was started with the goal of following in Lorz Motorsports footsteps. There are many perks to joining the fan club. You will get your name on the deck lid of the race car, as well as receive a custom made license plate of Kevin Zielezinski. For a small donation, you will not only receive these benefits, but also a racing schedule and live updates from each race through KMZ Motorsports and Lorz Motorsports Facebook pages to track the progress of your support.
